

Annex B

Case Studies from Survey Results of International Practices

- (1) Programs with Seed and Venture Focus
- (2) Development Finance Institutions
- (3) Private Sector Developed Market Programs
- (4) Summary of Best Practices

The case studies contain confidential information provided by the firms that participated in the survey conducted for this report. The case studies are therefore not included in the public version of the report. However, the lessons learned and key information derived from the case studies are incorporated throughout the report.
